## 2024

Simple and Minimalist

### LAMP

An individual lighting concept is the perfect finishing touch to your modern, high-quality interior. Only with the right lamps and lights you make every room shine.

### TABLE

There are now countless types of tables. Small, large, rustic, modern, vintage... the list is getting longer and longer. For me personally, it's best when it's simple but special.

### ACCESSORY

Where would you like to keep your jewelry and watches? That's right! In a suitable environment

DESIGN & FURNITURE

## DESIGN 1#

A glowing cross.  
It glows in all directions and  
that's how it should be.  
Suitable for hallways, large  
rooms and dark walls.

# LAMP

## DESIGN 2#

A design to emphasize.  
A real eye-catcher next to  
art (paintings, statues,  
sculptures).  
But also very easy to  
integrate on its own.

## DESIGN 3#

No matter whether it is a  
bedroom, living room,  
dining room, hallway or hall.  
This lamp works in every  
room, it adds value and has  
a great special feature.
